Giving Hearts Day February 11th

LB Homes is participating in Giving Hearts Day which was declared a Fergus Falls wide holiday by the Mayor. Giving Hearts Day is a one-day event and will occur on **February 11th**. We are looking to raise \$15,000 for the purchase of a trishaw through the Cycling Without Age program. Let's give LB Homes residents the opportunity at an experience that they otherwise wouldn't be able to enjoy!

There are several ways to donate:

CORONAVIRUS TESTING

This is a reminder that Coronavirus testing is no longer weekly, and we will only be testing once per month. We are asking that ALL essential caregivers fill out each screening question thoroughly which includes documenting the date you last completed a Coronavirus test, address, phone number and general screening questions. These screening sheets are monitored closely and if not filled out properly we will be contacting you.

New Website!

You may have already noticed but we are excited to announce that LB Homes has a new website! Our focus is to make our website easily accessible for those we serve. This website serves as a portal for scheduling visits with family members, applying for job positions, researching all of the LB Homes Care Sites and much more. We would love for you to check it out at <https://lbhomes.org> and let us know your thoughts!
