Silver Linings

We are continuing to test weekly! We have not had a case for 67 days!

Our county positivity rate for the week of 5/16 through 5/22 was 2.70%!! This data is the percent of positive tests by county of residence in Minnesota by week of specimen collection. This means our care sites remain open for general visitors. We ask that you limit to 2 visitors in the room to maintain social distancing.

The LB Homes Story

At LB Homes our team thrives on core values: **Integrity, Compassion, Dedication, Teamwork, and Customer Service.** Over the last few weeks, we have worked with some of our team members to learn their LB Homes Story. Carrie, Stephanie and Emily all have unique experiences and individual reasons they enjoy working at LB Homes. Carrie mentions a resident that waves to her when she leaves work, Stephanie talks about being able to help people, and Emily has found fulfillment in her LB Homes journey. These LB Homes stories show the connection our team has with the work they do every day.

We invite you to find these short videos on our [LB Homes Facebook page](#), click the link to connect. If you are interested in joining the LB Homes team, applications are accessible on Facebook or visit LBHomes.org/careers to find out what career opportunities are available.
