General Hospice Information

- Hospice is available for patients who have a life limiting illness of 6 months or less to live if the disease takes its normal course.
- A patient on hospice is no longer seeking treatment.
- Patients can “graduate” off hospice if their health improves and they no longer fit hospice guidelines.
- Medicare covers the cost of hospice, including medications and medical equipment pertaining to the life limiting illness.
- Hospice can take place at home, in a nursing home, or wherever the patient calls home.
- Respite care is offered at LB Short Stay, as well as additional contracted nursing homes.

The initial qualifying assessment is at no charge.
