WOW Cards

Another month and another batch of WOW card recipients! Even though only one lucky winner will receive \$20 in Fergus Bucks – receiving a WOW card means you made someone's day!

LB Homes core values while serving others – a ★ star next to their name indicates they were a multiple WOW card recipient:

Andrew Sundal
★ Darcy Wandersee
Rita Wickline

John Zwiers
Caleb Larson
Lindsie Eggen

Jennifer Frings
★ Kaci Walvatne
Tiffany Burge

.....AND THE WINNER OF \$20 IN FERGUS BUCKS IS.....

Andrew Sundal

Thanks, Mali L. for doing this month's drawing!

Testing Information

Please call Dawn Bratlien at 218.998.7313, with any questions or concerns. Yellow indicates outbreak status. Testing is mandatory for vaccinated and unvaccinated staff members while in outbreak status.

We are now testing all individuals who are not up to date with their vaccinations twice a week.

Individuals who are up to date with vaccinations do not need to test. **If you are eligible for a booster and have not received it, you will need to test just as though you are unvaccinated according to the CDC, as you are not considered “up to date” on all the recommended vaccines.**

You are eligible for a booster after 5 months have passed from the second dose for the Pfizer or Moderna or 2 months after the Janssen, you are considered up to date until you become eligible for the booster.

If you have had COVID within the past 90 days, you do not need to be tested unless you have symptoms.

Current Visitation Information

When a facility is in outbreak status, it places all who enter our facility at a higher risk of contracting COVID-19. Please find outbreak status under “General Visitation Information” in following table. We continue our mitigation efforts which include screening for symptoms upon entering an LB facility, wearing of masks appropriately, frequent hand-hygiene and 6-foot distancing as appropriate. Staff and Essential Caregivers should also wear eye protection appropriately. Even with mitigation efforts, all visitors should be aware that they are at a higher risk of contracting COVID-19 in Long Term Care Facilities.

We are open to all visitors. Visitors will need to screen prior to visiting. Visitors who have symptoms of COVID-19, have been exposed to someone with COVID-19, or who have a current COVID-19 positive test should not visit. Because Otter Tail County is at a High Community Transmission, all visitors will need to wear masks at all times while in the facility, practice 6-foot distancing, and perform frequent hand-hygiene.

Scheduling Visitation:

Thank you for your continued support and diligence as we navigate these guidelines provided by the Minnesota Department of Health. If you would like to schedule a video visit or window visit with your loved one, please contact Aaron Hanson at 218-998-7333 or Aaron.Hanson@lbhomes.org.

***Outbreak procedures are always initiated with the notice of just one COVID-19 positive staff member. ***
