Current Visitation Information

Due to a recent case of COVID-19 in a staff member we are now in outbreak mode. This does place all who enter our facility at a higher risk of contracting COVID-19. We continue our mitigation efforts which include screening for symptoms upon entering an LB facility, wearing of masks appropriately, frequent hand-hygiene and 6-foot distancing as appropriate. Staff and Essential Caregivers should also wear eye protection appropriately. Even with mitigation efforts, all visitors should be aware that they are at a higher risk of contracting COVID-19 in Long Term Care Facilities.

We are open to all visitors. Visitors will need to screen prior to visiting. Visitors who have symptoms of COVID-19, have been exposed to someone with COVID-19, or who have a current COVID-19 positive test should not visit. Because Otter Tail County is at a High Community Transmission, all visitors will need to wear masks at all times while in the facility, practice 6-foot distancing, and perform frequent hand-hygiene.

Scheduling Visitation:

Thank you for your continued support and diligence as we navigate these guidelines provided by the Minnesota Department of Health. If you would like to schedule a video visit or window visit with your loved one, please contact Titus Christianson at 218-998-7333 or Titus.Christianson@lbhomes.org

***Outbreak procedures are always initiated with the notice of just one COVID-19 positive staff member. ***
