Showing Love for Light and Life Auditorium

On Giving Hearts Day, LB Homes is raising money to update the audio and visual equipment in Light and Life Auditorium. We are excited at the possibility of new sound equipment and projection screens for our staff and residents.

Our goal is to raise **\$30,000** for the updates.

Current Visitation Information

When a facility is in outbreak status, it places all who enter our facility at a higher risk of contracting COVID-19. Please find outbreak status under “General Visitation Information” in following table. We continue our mitigation efforts which include screening for symptoms upon entering an LB facility, wearing of masks appropriately, frequent hand-hygiene and 6-foot distancing as appropriate. Staff and Essential Caregivers should also wear eye protection appropriately. Even with mitigation efforts, all visitors should be aware that they are at a higher risk of contracting COVID-19 in Long Term Care Facilities.

We are open to all visitors. Visitors will need to screen prior to visiting. Visitors who have symptoms of COVID-19, have been exposed to someone with COVID-19, or who have a current COVID-19 positive test should not visit. Because Otter Tail County is at a High Community Transmission, all visitors will need to wear masks at all times while in the facility, practice 6-foot distancing, and perform frequent hand-hygiene.

Scheduling Visitation:

Thank you for your continued support and diligence as we navigate these guidelines provided by the Minnesota Department of Health. If you would like to schedule a video visit or window visit with your loved one, please contact Titus Christianson at 218-998-7333 or Titus.Christianson@lbhomes.org

***Outbreak procedures are always initiated with the notice of just one COVID-19 positive staff member. ***
