Visitation – What to know?

We have been informed of a positive case of COVID-19 in our LB Broen Home facility. With a COVID-19 case, we will need to stop general visitation at this time. LB Broen Home doors will be locked. Essential Caregiver visits may continue for all residents except those on Transmission Based Precautions. Compassionate Care visits may continue. As a reminder, Essential Caregivers will need to screen in thoroughly, and wear a surgical face mask while being escorted to and from the resident's room. The Essential Caregiver is limited to the resident's room.

Thank you for your continued support and diligence as we navigate these guidelines provided by the Minnesota Department of Health. If you would like to schedule a video visit, window visits, or outdoor visit with your loved one please contact Aaron Hanson at 218-998-7333 or aaron.hanson@lbhomes.org.

*Thank you for making
a difference every day.*

*Visitation protocols will remain unchanged for all other LB Homes' facilities.

CORONAVIRUS TESTING:

We are currently conducting outbreak testing for staff and residents at LB Broen Home. Please watch your emails and listen to voice messages for updates regarding testing requirements. If more positive cases are identified, testing will be increased. We appreciate your help to contain the virus! Essential caregivers are strongly encouraged to continue testing with us however this is no longer required to be able to visit.

- In outbreak testing, due to the delta variant being very contagious, at this time we will be testing all staff **(who enter Broen Home to work)** every other day x3 and then resume twice weekly testing. Please make every effort to test at these times. If you are unable to test on Saturday, Monday, Thursday of this week or Monday and Thursday of next week, please contact Sam Finch at 998-7336 or Dawn Bratlien at 998-7313.
- This is to remind you of COVID -19 testing that is mandatory for **ALL LB Broen Home staff & residents**, and all **unvaccinated** LB Hospice, Home Care, and business office employees, and recommended (but not required) for Broen Essential Caregivers on **Thursday, September 16th and Monday, September 20th** from 6:00am—9am in the **2N Dining room**, near Light and Life Auditorium. Enter through door I. Please call Sam Finch, 218-998-7336 or Dawn Bratlien at 218-998-7313 with any questions or concerns.
- All **unvaccinated** Assisted Living Staff and recommended (but not required) for Essential Caregivers will test on **Thursday, September 16th and Monday, September 20th** from 6:45 am- 8:15 am at the Woodland Lodge Building (East Lower-Level Entrance).

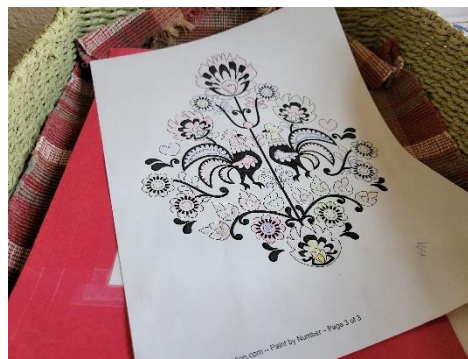

NATIONAL ASSISTED LIVING WEEK SEPTEMBER 12-18, 2021

Celebrating National Assisted Living Week!

This National Assisted Living Week's theme, "**Compassion, Community, Caring**", highlights the incredible care provided by caregivers in assisted living facilities. It also honors the sense of community and being together despite being physically apart, and the compassion that helped so many get through a difficult year. National Assisted Living Week is a way to celebrate the dedication of staff, the individuality of residents, and the deep connections formed in these settings that make us all family.

There will be a resident coloring contests at LB Woodland Lodge and LB Alcott Manor, an appreciation station, and cookie social. We continue to be grateful for the teams at LB Homes and the residents and families for whom we care.

Café Update

*Reminder that starting the week of September 20th, café meals will no longer be free of charge. Blue punch cards have been printed up and are ready for you to purchase, currently the options are \$20 per card- cash, check, or payroll deduction-must sign for this option. Thank you!

**LB Homes Cumulative COVID-19 Operations Report
3/13/2020—9/14/2021**

| Entity *Numbers in this table reflect testing of symptomatic residents and employees tested outside of Point Prevalence Survey testing. | Number of residents or clients tested | Number of residents or clients confirmed positive | Number of employees tested | Number of employees confirmed positive | Number of COVID-19 related deaths |
