POSITION SUMMARY

This position is responsible for providing personal care and delegated nursing services designed to maintain the residents' physical and emotional well-being.

ESSENTIAL FUNCTIONS

Reasonable Accommodations Statement

To accomplish this job successfully, an individual must be able to perform, with or without reasonable accommodation, each essential function satisfactorily. Reasonable accommodations may be made to help enable qualified individuals with disabilities to perform the essential functions.

Essential Functions Statement(s)

- Assist the resident with personal cares as identified in the assignment sheet/client care plan. These cares may include all or some of the following: assisting with dressing, grooming and oral cares; shampooing of hair; assisting with showering or bathing; rubbing with lotions; fingernail cares and foot cares if instructed to do so by an RN; redirection of a confused client, and other care as assigned.
- Assisting the resident in the use of the commode, urinal, toilet and with adult incontinence products as assigned.
- Assisting with ambulation and transfers, including proper use of a transfer belt and assistive devices and proper body mechanics to avoid injury.
- Assist in use of hearing aids, glasses and other adaptive devices for residents.
- Medication reminders, assistance or administration as delegated by RN.
- Prepare meals or snacks as directed, following special meal plans if instructed.
- Take and record temperature, blood pressure, pulse and respiration as instructed. Report changes or concerns to RN.
- Notify RN of any complaints or concerns raised by the resident or the resident's family or representative.
- Help each resident to reach and maintain his/her highest level of performance and independence. Must promote clients' independence, not dependence by offering choices and fostering self-help

skills.

- Establish rapport with residents, lead resident in activities as assigned and provide socialization and companionship to residents while performing assigned tasks.
- Assist with services or treatments as delegated by the RN according to the resident's individualized care plan or with therapy tasks as assigned by a licensed health professional.
- Observe resident and report to the LPN or RN changes in the resident's physical and emotional condition, such as change in attitude, appearance loss of appetite, weight, etc.
- Assist co-workers with daily responsibilities when needed.
- Organize and prioritize assigned work during scheduled shift to complete assigned tasks.
- If working in the community, responsible for taking adequate supplies or equipment to the residents' home that are needed to complete the assigned tasks.
- Document services provided accurately and consistent with agency policies and complete all required paperwork in a timely and legible manner.
- Attend required in-service training- at least 8 hours for every 12 months of employment as well as staff meetings and other agency events.
- Follow agency procedures for universal precautions for infection control when performing assigned tasks.
- Maintain a clean environment for clients. Dust, vacuum, mop and other household chores as scheduled and assigned.
- Use validation techniques and/or appropriate diversion activities when dealing with residents with dementia.
- Follow agency policies regarding safety rules and requirements and report any issues or concerns about your safety or any injuries immediately to the LPN or RN.
